ENROLMENT POLICY

Enrolments are accepted for all children from Reception to Year 7 living within the designated Magill School zone. The boundaries of this zone are Glynburn Road, Arthur Street and Moules Road, Glen Stuart Road and Kensington Road. Parents may be required to provide evidence of their place of residence (eg rental contracts, SA Water bills etc) to verify that they live within the zone.

There is one school entry for reception students starting school. Students who turn 5 before 1st May start at the beginning of the school year and those who turn 5 on or after 1st May start school at the beginning of the following year. Copies of birth certificates are required for all enrolling students.

Families who live outside the designated zone may apply to enrol using the appropriate form located on the website (Parent Information section).

The decision on whether the enrolment is accepted will be made by the Principal or delegate and will be based on the following:

- Siblings already attending Magill School.
- Space being available in classes at the relevant year level.
- Any compassionate grounds.

In the case of Reception students every endeavour will be made to advise parents of the outcome five terms prior to school entry so that preschool placement can be decided. Enrolments of reception students are accepted 18 months prior to the child turning 5 years of age.

Students who are new arrivals from a non English speaking background are advised to consider the option of attending a specialist IELC (Intensive English Learning Centre). These schools are located at Gilles Street in the city and East Torrens Primary School. We can discuss whether this option is the best in individual circumstances. This is a temporary placement and the student can then enrol at Magill when their English will enable them to participate fully in all learning programs.

When families request enrolment due to dissatisfaction in their current school they will be advised to discuss their concerns with the Principal of that school. When all attempts to address the issues have been taken enrolment at Magill may be approved.

If you seek enrolment for your child please phone the Enrolment Officer on 8331 9422 for an appointment.
