WHAT IS A CHAPLAINCY SERVICE?

A Chaplaincy Service is provided by a Pastoral Care Worker (PCW) in a school community on behalf of the local combined Christian community to provide additional support as needed.

Pastoral Care Workers

• Provide pastoral care in a ‘first response’ capacity to critical incidents, refer to specialist support and to provide ongoing presence and follow up
• Work closely and in partnership with leadership and other wellbeing staff in schools to provide pastoral care and practical support to students, families and staff as requested
• Are well positioned to work across the whole school to ‘build a sense of’ community, harmony and cohesion
• Are trained and equipped to provide their school with a unique dimension of social, emotional and spiritual support in line with the DECD wellbeing framework

Partnerships

Your local school and your local church work together to provide your Pastoral Care Worker.

WHY A CHAPLAINCY SERVICE?

The Facts

Students today face a more complex and challenging environment than ever before.

• 15% of young Australians are currently experiencing an anxiety condition
• Bullying is the leading social issue among SA students
• Just under half of all divorces occur among couples with children under 18
• 15% of SA students miss out on breakfast

PASTORAL CARE WORKER:
KIERAN SMITH

Hi! My name is Kieran Smith. I am 25 years old. I have been married to my wife Jasmine for 3 years, and we have a little girl called Sylvie – she was born in May 2014. I have worked with children and youth for the past 7 years through chaplaincy, church ministry, social outreach programs and prison ministry – it’s what I love to do! I completed a degree in social science (with a youth work focus) in 2013 and I am currently undertaking a Graduate Diploma of Theology. In my spare time I enjoy cycling, playing squash, reading and playing cards as well as spending lots of time with my family. I count it as both a privilege and an honour to work with young people, supporting them in the most formative years of life as they grow, learn and succeed.

My regular days at school are:

- Wednesday 12.30pm-4pm
- Thursday 8am-4pm

CHAPLAINCY & WELLBEING

Chaplaincy Services promote student wellbeing, engaging young people in activities that are preventative and which support early intervention and referral of mental health issues.

PRINCIPALS ARE SAYING...

The benefits of the program are clear and include: increased attendance at school by identified students, social and emotional support, increased access to social skills programs and families feeling supported in time of crisis such as suicide, death and family separations.

Primary School Principal

A lot of student problems never eventuate because Trev has provided support and encouragement early on. The students always walk away from their time with Trev with more bounce in their step....it is hard to imagine our school without thinking of our Worker.

High School Principal

Schools Ministry Group (SMG) coordinate and facilitate Chaplaincy Services in government schools across South Australia.

• School Chaplaincy commenced in SA Government schools in 1986.
• SMG partners with schools, local churches, state and federal governments to deliver Chaplaincy Services through the engagement of a Pastoral Care Worker.
• SMG works collaboratively with these partners in the recruitment, supervision and ongoing professional development of PCW’s to ensure the placement of high quality workers who are well equipped to support young people and strengthen communities.
• Pastoral Care Workers are funded from two main sources - the National School Chaplaincy Program and the local church communities.
• The Chaplaincy Service provided through your PCW is a voluntary program offered to school communities.
