Sun Protection

SPF 30+ broad spectrum water-resistant sunscreen will be provided for all children (should your child require a specific type of sunscreen we ask the family provide this). It is preferable that children wear long sleeves and collars for all outdoor activities and enclosed shoes for safety. Children without a sun safe hat will be asked to play in an area protected from the sun (e.g. under shade, veranda or indoors). **Please note: Baseball caps or visors do not provide enough sun protection and therefore are not recommended.** Children are required to wear sun safe hats that protect their face, neck and ears.

A sun safe hat is:

- ✓ Legionnaire hat
- ✓ Bucket hat with a deep crown and brim size of at least 5cm (adults 6cm)
- ✓ Broad brimmed hat with a brim size of at least 6cm (adults 7.5cm)

Attendance Records

All children must be signed IN and OUT of the program with exact times of dropping off and collection. Please advise staff when you arrive and when you collect your child/children.

Please inform OSHC immediately when you know your child will not be attending on a “booked” day.

Collection of Children

For safety and security, children will only be released to authorised adults as named on the enrolment forms. Children must be signed out by their parent, or other authorised person, before they leave the Out of School Hours Care. **Children must be collected by 6.00pm.** If you are late because of an emergency situation, please notify OSHC as soon as possible on 8332 5762 so that appropriate arrangements can be made. Late fees apply after 6.00pm (**refer to Fee for Late Collection Policy**).

Food

Please note we have children attending the OSHC Vacation Care Program with severe nut allergies so we ask that you avoid bringing foods containing nuts. A packed recess, lunch, and afternoon snack must be brought every day. Please note: we **do not** provide breakfast. It is requested that you **do not send meals that staff need to cook or heat, including noodles.** Should your child have any specific dietary requirements please inform OSHC Vacation Care. Our service follows a Healthy Eating Policy and we encourage families to provide lunch and snacks accordingly. We do not provide breakfast during vacation care periods.

Staffing Ratios at OSHC Vacation Care:

- On site - one staff member per 15 children.
- On excursion - one staff member per 8 children.
- At all times there will be a minimum of one staff member with an approved qualification per 30 children.

Medication

Please remember children who are not well should not attend the OSHC Vacation Care Program. Should you require vacation care staff to administer your child with any medications please inform us beforehand so that appropriate paperwork can be completed. **Medications must be correctly labelled and given to staff and are not to be kept in children's bags. No medication will be administered without the correct documentation.**

Excursions

Excursions book out quickly. To avoid disappointment get your booking form in early. Pack your child a light bag for excursions as we may need to carry our bags with us, depending on the venue and its facilities. **Children are not to bring spending money on excursions.** We travel by Adelaide Star Buses. Excursions may be cancelled if the forecast temperature exceeds 35 degrees or if it is raining heavily (alternative activities will be provided). **Children must arrive for excursions 10 minutes prior to the departure time stated on the program, (we will not wait for late arrivals).** This allows staff time to talk to the whole group about:

- Safety issues
- Behaviour expectations
- Organise recess / lunches / drink bottles
- Toileting
- Apply sunscreen
- Arrange child groupings
- Allow time to answer any questions children may have about the excursion or venue

To ensure high visibility and safety of children attending excursions **children are required to wear Magill School Uniform tops and jumpers when away from the centre.** Uniform tops may be replaced with casual wear once we return back to OSHC. Remember to label all items to avoid them being lost. Children may wear their choice of bottoms and enclosed shoes.

Risk Assessments

Excursions will be organised in compliance with Departmental OSHC Standards and the National Quality Framework. Staff will complete a risk management assessment for all excursions and this will be available to parents at OSHC Vacation Care Program. A risk assessment for an excursion must identify and assess risks that the excursion may pose to the safety, health or wellbeing of any child participating in the excursion and specify how the identified risks will be managed and minimised. See staff for a copy of OSHC Vacation Care Program excursion and risk assessment policy.
