## FERGUSON

Chosen from William Ferguson, who was one of the first land owners in the Adelaide foothills. He bought his land in 1838, just two years after the founding of the colony, and set to work to clear the Stringybark Forest. Some of his first workmen were runaway convicts from New South Wales. Ferguson Park, on Stoneyfell Creek, was donated by a Miss Ferguson and serves as a reminder of Magill's earliest pioneers.

### TEAM CAPTAINS:

Leaders – Phoebe B, Vasily A

Deputies – Raima A, Oscar M

## FERGUSON

Ferguson's here, stand up and cheer  
We're number one  
So look out - here we come!

Fergie's got the rhythm  
Fergie's got the motion  
And when we're all together we cause a  
commotion

This year we'll win that shield  
On the court and on the field  
Come on Ferguson - don't be shy  
Let us hear your battle cry

**F-E-R-G-U-S-O-N!**  
**GOOOOOO FERGUSON!**

## TOLMER

Chosen from Alexander Tolmer, who lived in this area and was a real "character". He was the first inspector of police in South Australia and led many chases through the Adelaide Hills after escaped prisoners. Tolmer often managed to get in the news with his daring manner and dashing appearance.

He saved the young colony from bankruptcy when he led the first gold escort from the Victorian Goldfields back to Adelaide. The gold was dug by South Australian men who left to find wealth in Victoria, leaving their families behind.

### TEAM CAPTAINS:

Leaders: Maya I, Sam H

Deputies: Jordan C, Rowan M

## TOLMER

Tolmer, Tolmer hear our cheer  
This year we will show no fear  
On the field and on the track  
We'll win the shield and bring it back!

This year Tolmer's coming through  
'Cause there's no prize for number 2  
Here today we'll win each race  
Because we're here to take first place!

So watch out Yellow, Green and Blue  
We're gonna win - you know it's true!

**T, O, L, M, E, R**  
**GOOOOOO TOLMER**

## PENFOLD

A name associated with Magill since 1844 when Dr Christopher Rawson Penfold settled on land purchased from William Ferguson. Dr Penfold planted vine cutting brought with him from Europe to make wine for tonics for his patients. The vines flourished so well that the Penfold family have been winemakers ever since. The original cottage on the land, built of local stone, was used and later enlarged by Dr Penfold. The cottage is now kept as a museum of the early days of the wine industry.

### TEAM CAPTAINS:

Leaders – Lauren A, Fergus W

Deputies – Tahlia B, Jesse H

## PENFOLD

Penfold, Penfold we're the best  
We'll put the others to the test  
Penfold, Penfold we are strong  
We'll work hard - all day long

Other teams, your fate is sealed  
In the end we'll win this shield!

**P-E-N-F-O-L-D**  
**GOOOOOOO PENFOLD!**

## MURRAY

Chosen to commemorate Alexander B. Murray, who arrived in South Australia in 1839 and bought a piece of land on St. Bernard's Road in 1862. Murray enlarged the original house and called it Murray Park. It remained the home of the Murray family for eighty years. In that time, Alexander Murray became a member of both Houses of the South Australian Parliament and a very prominent citizen of Magill. Murray Park Recreational Ground was donated by Alexander Murray to the community. Murray Park is now part of the University of South Australia (Magill Campus).

### TEAM CAPTAINS:

Leaders - Jess H, Anthony S

Deputies – Riona G, Darcy E

## MURRAY

Murray, Murray - we're number 1  
Let's show the teams how it's done  
Let's put our skills to the test  
And show the crowd who is the best

Come on Murray - win the shield  
'Cause we're the fastest on the field  
Murray, Murray - we're so fine  
Let's do our best to cross the line

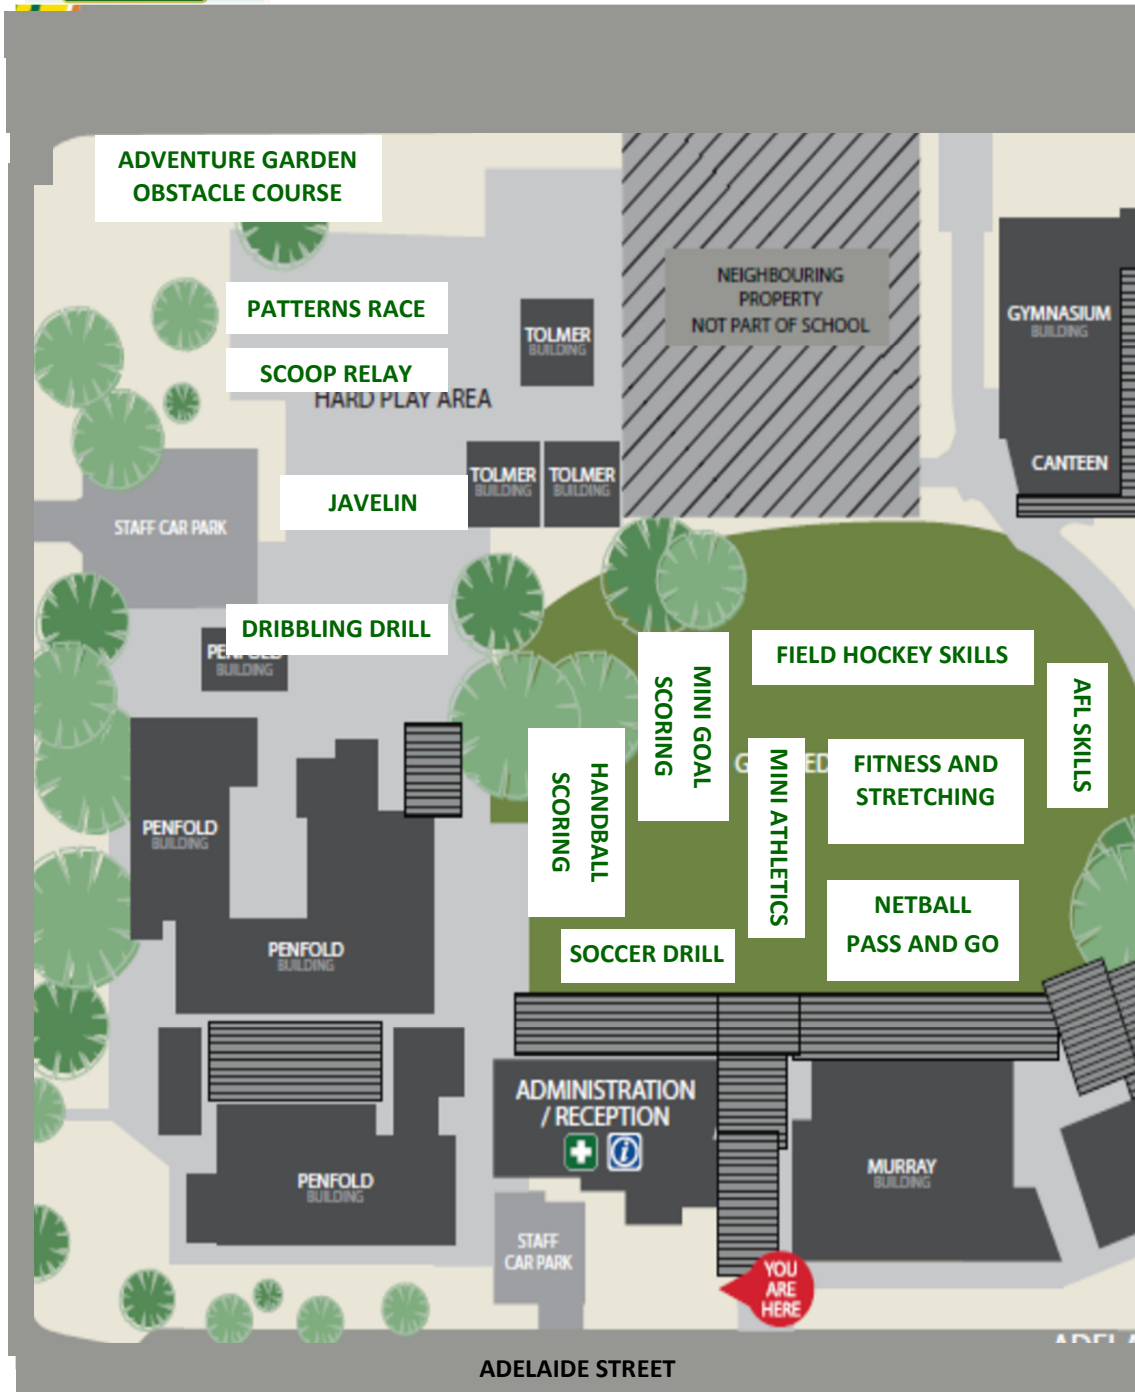

We can do this, we can win  
We won't stop - we won't give in!
