## MAGILL SCHOOL

Term 1, Week 8

Friday 19th March 2021

### MORIALTA LEADERS DAY

Student Leadership and Teambuilding were the name of the game on Friday 12<sup>th</sup> March at Magill School. 73 Student Leaders representing Magill School, Stradbroke School, Trinity Gardens Primary School, Vale Park Primary School and Norwood Morialta High School came together to begin a year’s worth of leadership development and impact within the local area and their school communities.

With the support of Venture Outdoor, students were placed in mixed groups to meet new people and get to know leaders from across the schools. Activities in the morning included; team building through the Go-Kart challenge, problem solving through construction of marble run, Bean Bag Trebuchet throw and Tug-o-War.

After lunch the leadership group welcomed Laura Hodges, 4 time Olympian with the Opals Basketball team. She shared her story of success through hard work, perseverance, commitment and goal setting. As her journey unfolded a few lucky students were privileged to wear her Olympic, Commonwealth and World Championship medals as she shared her career highs and lows. Laura captivated the group with her warm presentation style and engaging life story.

Where to next for our Student Leadership group? This year is a special year across the state as we farewell Year 7 as a Primary School year and welcome Year 7 to the High School Community. Our leaders will be working together across the Morialta Partnership to ensure that transition for 2021 is student centred and meets the needs of the kids moving schools.

Our Student Leaders have really hit the ground running at Magill School, having already hosted a school tour this term, their next goal is to tackle rubbish waste in our school community – watch this space for more exciting news to come!

Kasey Thorne - Assistant Principal

# 2021 LEADERS DAY

# 2021 LEADERS DAY

# P17 and M7 Buddy Class

This term, we have been getting to know our buddies and working on collaboration and cooperation, with GREAT success.

This is a snapshot of what we've been doing:

- When reading, we are working on improving fluency and expression, as well as questioning what we are reading and clarifying for understanding.
- We are learning to build reliance and sportsmanship when playing with others, by taking turns, being fair, enjoying the game rather than just having to win, sticking to the rules and watching the gameplay carefully, especially when playing with new friends.

*"Buddies are fun, funny and helpful."* - Blake

*"I like buddy class because buddies help me to learn."*  
- Sophie

*"It is helpful to have a big friend in the schoolyard."*  
- Ryan
