WELLBEING, HOLIDAYS AND THE IMPORTANCE OF QUALITY FAMILY TIME!

Amidst the craziness of everything we are facing in our current ever-changing society, it is now more important than ever that we use this break to relax and unwind. It has been an incredibly stressful and anxious time for everyone. We are so proud of the way our whole community has responded and supported us at school over the past few weeks.

We would like to extend a big thank you to you all for your resilience and patience. The positive feedback we have received as we have entered these uncharted waters has supported our teachers and students. What we are experiencing is new for all of us and as a school community we have come together to work and support one another extremely effectively.

During this time of uncertainty, it can be hard for children (and adults!) to comprehend what is actually going on. There are a number of services that can support you during this time, including: World Health Organisation, Headspace, Australian Childhood Foundation, Beyond Blue and Child Trends to name a few.

The next three weeks are a time to connect and spend quality family time together (not worrying about schoolwork!). Although cinemas, libraries and playgrounds have now been closed there are still many places to go, things to do and activities that families can access, whilst ensuring social distancing and safe hygiene practices. These include:

- Going for a bush walk / hike
- Going for a run, walk, ride along the Torrens (Linear Park is great!)
- Going to the beach
- SA Rocks (Drop, find, re-hide it! – check it out on Facebook!)
- Going on a bearhunt!
- Playing board games, puzzles or cards
- Do a Scavenger Hunt
- Lego Building Competition
- Mini-MasterChef Competition
- Designing an obstacle course
- Designing a cubbyhouse
- Model making
- Online STEM challenges (Minute-to-win-it!)
- Having a singing competition
- Build a marble run
- Have a movie marathon
- Do a pyjama day!
- Do a backyard workout

Remember, enjoy the holidays and take your mind off school. We would like to wish all families a safe and happy break and we look forward to commencing Term 2 after a well-deserved rest for all.

CAPTURING SCHOOL MOMENTS

Positive Minds Australia™

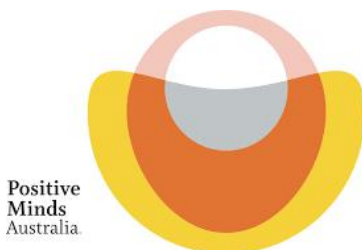

During these uncertain times the health and wellbeing of adults and children is paramount. Changes to usual routines bring uncertainty and disruption to both adults and children, and as the adults it's our responsibility to bring a sense of calm amidst the chaos. Our children are learning from us and how we respond during these times.

Madhavi Nawana Parker from Positive Minds Australia has been in partnership with Magill School supporting the adults and children for the past twelve months and is a great source of support and reassurance during these times. Her Facebook Page 'Positive Minds Australia' has daily resources and support strategies which can be accessed by all, and her daily web chats at 10.30am have been wonderful this week. These will continue to be web cast into the holidays - and I encourage you to watch whenever you can.

The role of Parent, Employee and Teacher are vastly different and to try and wear these three hats at once - I believe is almost impossible! What your children need now above all else are their parents and caregivers, the ones who they go to for comfort, support and guidance. During these holidays I encourage you to wear this hat as much as you can, to have fun with your children and bring a sense of normality to uncertain times wherever you can. It's time to put aside the school based learning and enjoy a well deserved break. Humans by nature are relational and need human contact, find ways to ensure that you are connecting wherever possible to those in your family and friendship circles wherever you can.

Some resources to support you if you over the coming months include:

We look forward to supporting you and your family as the year progresses, please do not hesitate to contact us should you require any resources or support in the coming months.
