MAGILL SCHOOL WELCOME 2020

I hope that everyone has had a great start to the year.

There's no better way to celebrate the start of a new school year than with our Chinese New Year assembly. Thanks to our Chinese teaching team and students for presenting a wonderful event celebrating Chinese culture. I hope that the year of the Rat is a good one for everyone!

I want to especially welcome all the new students and parents to our wonderful school. Too many to name with 115 new Receptions and 37 new students in other year levels. I'm sure that everyone has made you feel welcome and part of our great school community.

As with most years, we have some new staff to welcome. They are:

Clare Morley - M4
Nicole Zacher - F5
Melissa Stephenson - M3
Bonnie Opitz - P10, M1, JP Health
Trenna Kretschmer - Junior Primary Librarian

I'm sure that everyone has given them a warm Magill welcome and that they'll have a great time teaching our wonderful Magill School students.

Also a big congratulations to two teachers who were married over the holidays; Jess Kalleske and Lex Bremner.

Please note that our Acquaintance Night and AGM are coming up this Wednesday 12th February. Information has been distributed via email and School Apps as well as being attached to this newsletter. Hopefully by combining the two, we should get a better turn out to our AGM so I'm looking forward to seeing you then.

I look forward to working with the Magill staff, students and parents to make 2020 a wonderful year of fun and learning at Magill School.

Regards

John Iannunzio
Principal

COMMUNICATION WITH TEACHERS / LEADERSHIP STAFF / FRONT OFFICE

Communication is very important between home and school. We encourage parents to contact teachers, leadership staff or the front office staff (depending on the issue) with any enquiries, concerns or information. All staff are keen to support and be available to discuss and spend quality time with parents. One form of communication is email. All staff are happy to provide their work email address for parent communication. It is important that parents update their email address if it has changed.

SPORTS COMMITTEE

At Magill School, we have a Sports Committee that oversees the After School Sports program.

Sport we offer requires a specific sports delegate. Sports delegates are predominantly parents or caregivers who have a child involved with that particular sport. The sports delegate is required to become a member of the sports committee and provide a small summary report back to the committee at each meeting (during that sports season).

Currently, we are in need of a **soccer delegate** and an **Australian Rules Football delegate**. You do not have to coach a team when you are a delegate but would be the go to person for the coaches.

The sports delegate is the primary point of contact between the sport specific coaches/managers and sports coordinator (SSO). Sports delegates are assisted by Magill School sports coordinator (SSO).

Our next meeting is week 4, Monday 17th February at 6pm.

If you are interested in joining our committee as a Sports Delegate or would like more information, please contact Rachel Owens at Rachel.Owens318@schools.sa.edu.au

STUDENT MEDICATION AT SCHOOL

Students who require medication at school please ensure:

- Health care plans/medication agreements have been reviewed within the last 12 months, or sooner if there have been any changes to your child's condition.
- All medication is in date, is in its original packaging and has a pharmacy label to match the action plan/medication agreement exactly (this applies to prescription and over the counter medication).
- Asthma Spacers are washed or replaced ready for the new school year.

Medication which does not comply will not be administered.

STUDENT SAFETY ON ADELAIDE STREET

We want all of our students to be safe during the very busy periods and encourage all parents and caregivers to follow and abide by all road and parking regulations. Some simple guidelines for keeping everyone safe are:

- Observe the 25KM/H speed limit for the entire length of Adelaide Street
- Do not park and leave your vehicle whilst the drop off / pick up zone is in operation. Burnside Council parking officers regularly patrol and issue fines
- Do not let children get out of or in the car whilst stopped in the middle of the street. Exiting from the left hand side of the vehicle is the safest side.
- Do not stop at the crossing to drop off or pick up students
- Move as far forward as possible when pulling into the drop off / pick up zone. This will stop cars zig-zagging in and out
- Exercise extreme caution when reversing. Better still, don't do it!
- Do not hold up traffic whilst waiting for a spot. This causes major issues on Penfold Road. Go around the block instead.

A teacher is on duty until 3:25pm and will escort any remaining children to the office.
We all need to do our bit to keep our kids safe.
