MAGILL SCHOOL

Term 2, Week 10

Friday 3rd July 2020

STUDENT VOICE AT MAGILL SCHOOL

Harnessing the thoughts and opinions of the students at our school is something we promote and value greatly. This year we tried something new and gave our class reps opportunities to work on projects in multi-year level groups with specific areas of focus. Over the short space of two terms this has proven to be a great success, with students excited and engaged to be contributing to their school.

Our **Wellbeing Warriors**, led by Erica Teumohenga, have identified our new outdoor seating space as an opportunity to build a 'chill out zone' in the yard. The students are working on posters to promote the area, will be adding paint splash giant chess games to the ground nearby, adding outdoor beanbags and cushions and much much more!

Our **Sustainability Stars**, led by Dani Bator, have built raised planter beds, worked with the NRM to identify sustainable and native plants that will not only survive in our climate but thrive and encourage native wildlife such as butterflies and birds to the area. They are working with the Wellbeing Warriors to add planter boxes to the Chill Out Zone and looking at ways to build the native vegetation around the school.

Ready, Set, GO! Way to GO, led by Lisa Williams, have been liaising with building companies to get a new covered bike and scooter rack installed, and are working on promoting safe routes to school via scooter, skateboard bicycle.

The **TechHeads**, led by Kasey Thorne, are working on updating the student user agreement for ICT use within the school, and will be creating short videos/news sharing pieces for assembly in the coming terms.

Finally, our **Yardies** group, led by Debbie Knott, have been working on the Peer Buddy roster to commence in Term 3, are looking at playground expectations and updating these for both the Reception to Year 2, and 3-7 playgrounds, and have worked together with the TechHeads this term to promote and run the Casual Day held in week 9 – with all funds raised going to the animals our school currently sponsors at Adelaide and Monarto Zoos. We look forward to sharing more of our great projects as the year continues!

Comics with Kindness From Buddy Classes P16 and F1

The Year 2 buddies from P16 and the Year 7 buddies from F1 recently made some kindness comics. We thought of scenarios in which buddies could help each other at school and then we acted these out. We used an iPad app to photograph these scenarios and turn them into comic strips. Together our classes came up with lots of great examples of older buddies helping younger buddies.
