## MAGILL SCHOOL

DON'T FORGET LAST DAY OF TERM

# 2:05pm

FRIDAY 3RD JULY - EARLY DISMISSAL

### Term 2, Week 8

### Friday 19th June 2020

One of the positives about the current situation is that everyone has had to find and learn new ways to achieve goals and outcomes. Our Magill School Community should be proud of the way that we have been able to adapt to meet the new normal. As we start to plan to ease restrictions, it's a great opportunity for us to reflect on the past few months and identify what's worked well and what we want to keep. Some things that come to mind are:

- The greater standard of hygiene practices and expectations whereby sick staff and students stay home until they are well
- The independent skills that many of our JP students have developed by having to organise themselves for their learning each morning and pack up at the end of the day, without parent assistance.
- The morning routine which has enabled teachers to quickly settle their students and commence the day's learning program.

Our current restrictions will remain for the remainder of the term and we will distribute information about Term 3 in the next week or so.

In the spirit of finding new ways to do things, our Year 7 Leaders and Mike Shortt (Year 4 teacher) have produced a video to replace the tours that our Year 7 Leaders would normally lead each term. It is now live on our school website and I'm positive that you will be impressed. Well done to all involved for their part in what is a fabulous advertisement for our school.

As previously mentioned, due to the high absenteeism of both students and teachers during the COVID-19 pandemic and the inconsistent nature of learning programs, the midyear report has been modified.

Grades have been assigned primarily by teacher judgement based on what they have been able to assess for each individual child, not the entire learning program.

Maths and English comments are predominantly focussed on curriculum content. Teachers have individualised comments where they feel they have sufficient information to do so.

As a result, individual teacher comments are not being provided in this report.

We will be holding Learning Conversations in Week 2 of Term 3 to provide an opportunity for parents and caregivers to have individualised conversations about their child's learning.

More information in regards to Learning Conversations will be distributed before the end of term.

# WORLD ENVIRONMENT DAY

## 'Celebrate Biodiversity'

As part of our celebration of World Environment Day, M5 and F3 got together to 'celebrate biodiversity'. We used clay and all different materials from nature to make our own little creatures and talked about what we love about nature. We had a lovely time enjoying nature with our buddies.

### What do we love about nature?

'We love the leaves falling down in Autumn and how they change colour.

Sarang

We love the trees because they give us oxygen and you can build treehouses!

Annabel, Anandita and Isabella

I really like the creatures because they're all really different.

Levi

Ladybugs!

Yudhe

We love the trees because they give us air and we love the colour of the leaves.

Josie and Anastasia

Introducing:  
ICAS ASSESSMENTS™

Science  
English  
Maths

We are delighted to inform you that Magill School will be participating in the world-renowned ICAS Assessments this year. ICAS is developed by UNSW Global, a wholly owned subsidiary of UNSW Sydney, with over 35 years' experience in education assessments.

ICAS is designed to target students' higher-order thinking and problem-solving skills in English, Mathematics, Science, Spelling and Digital Technologies.

Each assessment celebrates students' accomplishments by providing opportunities for recognition.

Every student will receive a printed certificate and an online result report.

Top performers will be eligible for medals and are invited to attend special award ceremonies to have their academic excellence publicly recognised.

ICAS Assessments are now online, a move that reflects a sector-wide transition to computer-based assessments.

This allows greater accessibility for students and faster delivery of results.

Learn more about ICAS here: [unsw.global/ICAS](https://unsw.global/ICAS)

**IN 2020 STUDENTS HAVE THE OPPORTUNITY TO PARTICIPATE IN THE FOLLOWING SUBJECTS:**
