Term 3, Week 2

Friday 31st July 2020

Welcome back to the start of Term 3!

I hope all families had a restful holiday and were able to enjoy the break before we commence the second half of the year. The first half of the year was certainly like no other and there were many new challenges and hurdles for all of us to overcome along the way. As a school, we are continually amazed at how flexible and understanding our community, parents and students have been during these very new and uncertain times.

We are so appreciative of all your support to this point and look forward to this continuing as we hopefully move towards more stable times ahead.

Although we are beginning to see easing restrictions and regulations in South Australia, it is still very important we are mindful and vigilant of hygiene, social distancing and following all directions being provided by the school. We thank parents for your understanding and respect by not entering any buildings and leaving the school grounds promptly when dropping off/picking up your children.

This week we are able to also return to hosting our first 'normal' assembly in the Gym, however, we are still unable to have any parents in attendance. We hope this can return to normal in the not too distant future and you can be involved in your children's successes and learning and see what else has been happening in our school.

This week Learning Conversations have been taking place across the school. These conversations will have provided you with key information regarding your child's learning progress so far this year and some goals for them to work towards over the next two terms. We wish to thank our teachers for organising, compiling and sharing your child's learning at an alternate time in the school calendar to ensure you have all the latest information. We would also like to thank all of our parents for adhering to the strict protocols and guidelines we put in place during the Learning Conversations.

We all look forward to a positive back half of the year, further learning and growth and the hopeful return of a bit more normality in our everyday lives.

We wish you all a wonderful term ahead.

Guy Walmsley

BUDDY CLASS F15 AND M2 STEM ACTIVITIES

F15 and M2 have recently been participating in some STEM based activities such as making games that teach others about Bullying, researching and designing inventions to help ensure sustainability and coding Waste Warriors using the Makey Makeys to give tips and suggestions on how to live sustainably.

These tasks created a platform to problem solve together, to share and present learning to an audience and also provided an opportunity to give and learn from constructive feedback.

Magill School Values Award

Congratulations to the following students who have

been awarded a certificate in week 2

Well done for demonstrating the Magill School Values.

PUPIL FREE DAYS / SCHOOL CLOSURE DAYS

Thank you for your patience and understanding as we all work together through Covid-19 restrictions.

Over the past few months our school has needed to change dates and cancel events. This has been frustrating for everyone. We can now confirm the following dates for the remainder of the year.

The School Closure Day will occur as this date was approved by the Governing Council early in the year.

Please lock these dates in your diary.

UPCOMING PUPIL FREE DAYS

Friday 7th August

Monday 14th September

Monday 12th October

SCHOOL CLOSURE DAY

Friday 4th September

WEDNESDAY 12 AUGUST - 23 SEPTEMBER 2020 10am - 12noon

(Dates: Aug 12, 19, 26 & Sept 9, 16, 23)

Have the challenges of COVID-19 impacted your family? Do you want to create a terrific family team, build resilience and arm yourself with practical solutions for the primary years?

Toolbox is a six week course which includes the following topics:

Session 1 – Love and Connection

Session 2 – Parent Styles

Session 3 – Ages and Stages

Session 4 – Building Resilience

Session 5 – Loving Discipline, Boundaries

Session 6 – Putting it all together

> COST: \$40 Creche is available Spaces are limited

Bookings are essential To book your space please phone 8331 3111 or visit www.lccare.org.au/ courses-and-workshops/ course-calendar/

FIRST AID

For students who require medication at school please ensure all medication is in date, is in its original packaging and has a pharmacy label to match the health care plan / action plan / medication agreement exactly. This is a department requirement and applies to prescription and over the counter medication.

Medication which does not comply will not be administered and your child will not be able to attend excursions/camps.

Health Care Plans / Action Plans / Medication Agreements

Plans / agreements should be reviewed every 12 months, however given the current situation we will continue to use existing health care plans if they continue to meet your child's needs.

If there has been any change in your child's medical condition (such as requiring an increase in dosage of medication) a new plan will need to be completed by your child's treating health care professional.

If you have any queries, please call Chrissi on 8331 9422
