SCHOOL CLOSURE DAY
 Friday 4th September

Term 3, Week 4

Friday 14th August 2020

With our Learning Conversations now completed, I'd like to acknowledge the amazing job that our staff did to manage the health risks associated with opening the school up to a large number of visitors. I would also like to thank parents and caregivers for supporting our protocols to ensure everyone's safety.

We continue to maintain a positive and engaging learning environment despite the fact that COVID-19 health and hygiene restrictions remain in place. It seems like these restrictions will be in place for some time to come and will pose some issues in organising and running school events. Whilst we are confident that students will continue to participate in a variety of school events and programs, parent and caregiver participation remains a challenge for us. In the coming weeks we will trial a limited number of parents attending our assemblies. Further information will be distributed via class teachers and attendance will be limited to parents of those classes presenting at the assembly.

Although we are mid-way through Term 3, we begin our planning for 2021 which will be the last year that we offer Year 7 in primary school. Next week, parents and caregivers from Reception to Year 6 will receive a 2021 class placement form which will need to be completed this term. The information provided is crucial in helping us with our initial planning for next year. It is important that every child has a form fully completed and returned to us. Please look out for the hardcopy form that will go home next week with your child.

Parents are able to provide additional information that they would like the school to consider when placing students in classes for 2021. This information must be provided in writing and can be emailed to me directly via my email address j.iannunzio8@schools.sa.edu.au. Please do not write additional information on the class placement form or make requests via class teachers.

Due to the volume of information provided, we are unable to have face-to-face meetings to discuss class placement information, unless initiated by the school, and we do not accept requests for individual teachers. All written requests need to be submitted by the last day of Term 3 – Friday 25th September.

Magill School uses emails to communicate with our families and distribute notes and documents. Please keep us up to date with your email address by calling or emailing the office.

For all lunch enquiries please call
 Rory's School Lunches
0413 575 800
 Rory's will be able to assist you with QKR, forgotten lunch orders, or anything to do with the canteen.

BUDDY CLASS F12 AND P14 SCIENCE AUTHOR MEET

F12 worked with their Science teacher Dani to research and create a book on SPACE FACTS. P14 were invited to meet the “authors” and listened to each presentation. All students then learnt about and replicated their own constellation. The final products are in the Science room and P14.

The SPACE FACTS book is now available for students to borrow from the Library.

NETBALL RESULTS

7th August	Magill	vs	BYE	-	-

HALF FIELD

31st July	Magill	vs	GILLES ST	7	6
7th August	NO MATCH				

GIRLS NETBALL SAPSASA

On the Monday 3rd August we had eleven of our year 6 and 7 girls representing Magill school, in the SAPSASA Knockout Competition.

In the first game our team performed very well, winning against East Marden 20 to 10. The second game was an even competition, versing Mary McKillop, where we were outscored 16 to 22.

The final game was against Trinity Gardens Primary School. Despite playing well, Trinity Gardens were too strong, the final score 22 to 10.

The girls did an excellent job in representing our school and are commended for their sportsmanship and competitive spirit.

Well done girls!

Jacqui Blackeby

BOYS NETBALL SAPSASA

On Tuesday the 4th of August the selected team of Year 6/7 boys attended a knockout netball competition held at St Ignatius College.

Throughout the day the boys played three games against Ardtornish Primary, Norwood Primary and St Ignatius College.

This was the first year Magill School had been a part of the boy's netball competition, and it was a great success with a high level of netball shown across all teams, making for a competitive day of play.

The results for the day were as followed:

ROUND 1: Ardtornish (21) defeated Magill (18)

ROUND 2: Magill (30) defeated Norwood (16)

ROUND 3: St Ignatius (23) defeated Magill (14)

With one win and two losses, unfortunately Magill School were knocked out of the competition, with St Ignatius College moving to round two as the winners of the day.

Excellent effort, enthusiasm and team spirit were shown throughout the day. Some fantastic defending shown by Sam P, Ollie R and Seb C. Quick speed and run through mid court presented by Eann B, Archie W, Elliot F and Bodhi H.

Finally, with a total of 62 goals scored across the three games, some precise shooting skills from Oscar O and Marcus W.

It was an absolute pleasure coaching the boys and seeing their interest in the game and skills develop over the past few weeks. We look forward to many more years of participating in this event.

Well done boys!

Mel Pietrobon

Magill School Values Award

Congratulations to the following students who have
been awarded a certificate in week 4
Well done for demonstrating the Magill School Values.
