Welcome Back!

We would like to welcome back families to what is always the busiest term of the year: TERM 4! We are sure it is going to fly by and by the time we know it; it will be school holidays once again. OSHC this term has had three fantastic, new additions to our staff team; Sophie, Ben and Lauren. Please make them feel welcome if you see them around.

Reminders:

- ✓ **Parents are not to park on school grounds.** This includes ALL car parks! Please park on the road and use the path to get to OSHC. Gates may begin being closed.
- ✓ We are an allergy aware service. We have children that attend our service with severe nut and egg allergies. Help us raise awareness to keep children safe and BE A MATE!
- ✓ If your child have any medication, please give it to one of the OSHC staff with the relevant information and action plans. Do not leave medication in children's bags and make sure it's on your enrolment.
- ✓ Please let us know if your child is participating in After School Sports and then attending OSHC so we know where all children are.
- ✓ Also, a reminder to be Sun Smart and if possible. With the summer sun out we request you ***put a spare hat in your child's bag for outdoor OSHC play. If your child does not have a hat the will be required to stay inside and will not be able to come on excursions during Vacation Care (no caps)***

Contact:

Email: OSHC@magillschool.net

Phone: 8332 5762

Please call outside busy periods:
(8:15-9:00am & 2:45-3:45pm)

PLEASE REMEMBER TO LET US KNOW IF YOUR CHILD WILL BE ABSENT FROM ANY EXISTING BOOKING.

Children's Learning Story

OSHC Planning Cycle

The staff team this term will be cohesively working together to provide you with information regarding your child and their time at OSHC. Throughout the past year we have been trialing different observation processes and have now been able to finalise what we call a learning story. Staff members have taken on the responsibility to record observations where we believe learning outcomes have been achieved. As an extension of this, we will be relating our observations to the five learning outcomes from my time our place. These are: children have a strong sense of identity, children are connected with and contribute to their world, children have a strong sense of well-being, children are confident and involved learners and children are effective communicators. Our aim for these observations is not only to keep you in the loop but to also devise ways we can extend their learning through planned activities during the term. Furthermore, we will focus on taking pictures of your child and the relevant learning story so that we can send this to you sometime during the term. Please note these images are for your purposes only and will not be shared unless granted permission. If you have any further questions relating this process feel free to communicate with one of the staff members.

Term 4's Summer Recipe

Caprese Salad

- Bocconcini
- Fresh Basil
- Tomato
- Balsamic vinegar/olive oil

This term our focus for cooking will be summer recipes, with a strong focus on some fresh salads. One you can never go wrong with, is the Italian influenced caprese salad. It's basically like eating a margarita pizza.
