

PLANNING STUDY PART 1 SUMMARY

- . Identified and strategically appraised the Magill Education Precinct initiative
- . Developed a vision and model for public education relevant to the Magill Education Precinct
- . Considered the functional and spatial needs for the Education Model
- . Looked at the viability of the initiative and worthiness of further investigation through an Outline Business Case
- . Key education stakeholders in the MEP are:
 - Magill Primary School
 - Magill Kindergarten
 - Norwood Morialta High School
 - Magill Community Childrens Centre
 - University of South Australia
